overall view of where he is trying to go with the whole system because unless we know where he is trying to go with the whole system, then it is difficult for us to relate what we are trying to do to the actual system itself. So I think it would be very helpful from the overall perspective that he could give us. Thank you.

PRESIDENT: The question before the Legislature then is the adoption of the Beutler resolution LR 180. All those in favor vote aye, opposed nay. Have you all voted? Have you all voted? Record the vote, Mr. Clerk.

CLERK: 29 ayes, 0 nays on adoption of the resolution, Mr. President.

PRESIDENT: The motion passes. The resolution is adopted. Next we will go to agenda item #6, introduction of new bills.

CLERK: Mr. President, new bills. (Read LB 708-711 by title for the first time as found on pages 199-200 of the Legislative Journal.)

Mr. President, if I may, I have an Attorney General's opinion addressed to Senator Maresh which will be inserted in the Legislative Journal. (See pages 200-201.)

A new resolutuion offered by Senator Haberman, LR 184. (Read LR 184 as found on page 202 of the Legislative Journal.) Mr. President, that will properly be laid over.

Mr. President, one final new bill, LB 712 offered by Senator Murphy of the 17th District. (Read LB 712 by title for the first time as found on page 203 of the Legislative Journal.)

PRESIDENT: The Chair recognizes Speaker Marvel before we get into agenda item #7 for explanation purposes of discussion on that. Senator Marvel.

SPEAKER MARVEL: First of all I would alert you that after we get through those three items on special order we probably will be prepared to take up Senator Schmit's resolution so you can begin thinking about that. I think the thing I want to say in regard to the special order item #7 is the fact that you will note on all those special orders on your yellow sheet and on this green sheet today, that there is no time limit. So I guess what I am saying is that hopefully we can handle these without too much discussion. If it becomes evident that
